5-LB ORGANIC POTATOES

Our organic farmers work with natural systems to create and maintain a healthy environment in which to grow crops. EarthFresh offers exclusive potato varieties that grow very well in organic conditions – looking and tasting better than traditional varieties.

ORGANIC RED POTATOES: BEST FOR ROASTING

The lower starch content and waxy texture of red potatoes allow them to hold their shape after cooking.

ORGANIC RUSSET POTATOES: BEST FOR BAKING

The bright, white flesh of a Russet potato becomes fluffy and dry when cooked. When fried, its skin becomes crispy.

ORGANIC YELLOW POTATOES: BEST FOR MASHING

With a medium starch level, yellow potatoes have a subtly sweet, buttery flavour.
