

CARROTS

FRESH CARROTS

Carrots can bring so much color and flavor to your recipe rotation. They're sweet, which makes ingredients like maple syrup and brown sugar perfect complements, but they also have a surprisingly delicious bitter quality that pairs well with balsamic vinegar or a simple salt-and-pepper mixture.

You can dice 'em, slice 'em, chop 'em, spiralize 'em and so much more! You can always count on carrots when you need to up the ante on a meal. They bring both nutrients and flavor to any dish.

FRESH CARROTS

- **Specs:**
Canada No. 1
U.S. No. 1
- **1-lb poly bag**
Product of Canada:
Product of U.S.A.:
0 33383 66400 2
- **2-lb poly bag**
Product of Canada:
Product of U.S.A.:
0 33383 66401 9
- **3-lb poly bag**
Product of Canada:
Product of U.S.A.:
0 33383 66402 6
- **5-lb poly bag**
Product of Canada:
Product of U.S.A.:
