

Steam & Go™

Fresh Convenience!

MICROWAVE-READY FRESH BABY SWEET POTATOES

With less available time and higher expectations for food quality and taste, consumers want faster options that are also fresh and healthy. Steam & Go™ aligns with consumers' evolving needs for a no-fuss option. The innovative bag steams in the microwave in just minutes!

BABY SWEET POTATOES

Baby sweet potatoes are a colorful, healthy addition to any meal. Sweet potatoes are an elongated variety with a naturally, sweet taste - a favorite potato variety adored amongst many. Due to their versatility, recipe options are endless.
